

Job Title - Eastleigh Academy Assistant
Closing Date - Friday 20 August 2021

Here at Sound Pop Academy, we're recruiting an Academy Assistant for our Eastleigh Academy!

We're looking for passionate and skilled 'Academy Assistant' to support the delivery of permanent, high quality weekly sessions, whilst driving each individual member to their full potential.

Sound Pop Academy allows young people to take part and perform in a contemporary and fresh singing group across the south coast.

The idea was born in October 2016 and our vision of being 'bold and different' has defined us. We are the UK's leading singing group for young people aged 6-17. We run weekly sessions throughout the year and pride ourselves on teaching young people about harmony singing, vocal technique and performance skills in a fun, creative, dynamic and engaging way.

We help develop confidence and social skills at every session, teaching current, contemporary and appropriate pop songs. All of our song arrangements are created in house and are delivered using a method of teaching that young people won't have experienced before and whilst no musical experience is required, we embrace all young people who share a passion in music, movement, performance and being themselves. We like to push boundaries in the rehearsal room and out on the road. As well as enriching our members experience through socials and trips, we know young people love to perform and so we do just that. We give all of our members the opportunity to perform in high quality shows throughout the year.
